**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For the past ten years, we paid through thr nose for internet with Comcast. Their prices are high for very little. Their competitors are the same. Bunch of crooks. Thank goodness for local competition. Utility wise, this is the best thing thats ever happened! Competition is good for the economy! Please do the right thing and expand it. Everybody loses with oligopoly!
